ATTORNEY FOR TIMBER CREEK  
SEWER COMPANY

**Certificate of Service**

I hereby certify that on this date, November 3, 2010, I electronically filed the foregoing document with the Commission and further caused a copy of the same to be electronically sent to all parties of record.

Jeremiah D. Finnegan

## Schedule A

### Professional Background of Derek Sherry

Derek Sherry graduated with an Engineering degree from University of Missouri - Rolla in 1985. He worked for 5 years as an engineer for Johnson County Wastewater in Johnson County, Kansas which serves over 150,000 customers. He was the engineer for rehabilitation projects, project manager for new construction, completed planning analysis for potential new service areas, performed feasibility and financial analysis for numerous undertakings (capital improvements plan, new administration building, new 8-10 mgd plant and interceptors, etc.) and led environmental studies for sensitive watersheds. Additionally, he has held numerous executive positions at Johnson County and Sprint for the past 17 years.
