ORDER DIRECTING FILING

Issue Date: February 17, 2016

Effective Date: February 17, 2016

The Commission resolved this request for a rate increase by approving a Unanimous Stipulation and Agreement. A condition of the agreement was that Gladlo Water & Sewer Company file informal water and sewer rate cases in February of 2016. After speaking with the company, the Staff of the Commission states that for a number of reasons, the company is unable to comply with this condition. Accordingly, Staff filed a motion to extend by six months the time in which the company must comply.

The Commission will set a date by which any opposition to Staff's motion must be filed.

THE COMMISSION ORDERS THAT:

1. Any party who opposes the Staff of the Commission's request for an extension of time must file a response no later than February 29, 2016.

2. This order shall be effective when issued.
