ORDER EXTENDING TIME FOR STAFF TO FILE RECOMMENDATION

Issue Date: May 19, 2008

Effective Date: May 19, 2008

On April 17, 2008, dPi Teleconnect, LLC, filed an amended application seeking designation as an eligible telecommunications carrier for the purpose of receiving federal universal service support under Section 214 of the Telecommunications Act of 1996 and the implementing regulations of the Federal Communications Commission. The Commission directed its Staff to file a recommendation regarding the amended application by May 19.

On May 16, Staff filed a motion asking the Commission to extend the time allowed for Staff to file its recommendation. Staff explains that dPi Teleconnect has not yet provided all the information Staff needs. For that reason, Staff asks for additional time to file its recommendation.

Staff's motion is reasonable and the Commission will grant Staff the additional time it needs to file its recommendation.

IT IS ORDERED THAT:

1. Staff's Request for Extension to File Recommendation is granted.

2. Staff shall file its recommendation regarding dPi Teleconnect, LLC's amended application for designation as an eligible telecommunications carrier no later than June 16, 2008.

3. This order shall become effective on May 19, 2008.
