 ) **File No. TA-2011-0265**  
 )  
 )

**COMES NOW** the Staff of the Missouri Public Service Commission and for its recommendation, states as follows:

1. On February 18, 2011, True Wireless, L.L.C. (“the Company”), a wireless carrier, filed an application with the Missouri Public Service Commission seeking designation as an Eligible Telecommunications Carrier (“ETC”) for the purpose of receiving federal universal service fund support for low income customers through Lifeline and LinkUp programs.

2. The Staff Recommendation in this matter is due on or before today, November 1. As of this date, the Staff still has outstanding data requests to the company, concerning the prior activities of one of the Company's officers. The Company has been reasonably prompt in its responses to DRs from the Staff to date, although this most recent DR (which follows-up on a prior DR response) was sent only yesterday and requires some fairly detailed information. Therefore, the Staff requests that the date for filing its Recommendation be extended for two weeks, until November 15, 2011. If the response is received more quickly than anticipated, then the Staff will make its recommendation as soon as practicable thereafter.

**WHEREFORE**, the Staff requests that the Commission grant the Staff an additional two weeks to complete its review of the Company's Application, until November 15, 2011.

Respectfully submitted,

Colleen M. Dale
