**APPLICATION FOR EXTENSION TO FILE ANNUAL REPORT**

Central Rivers Wastewater Utility, Inc., by and through counsel, Mark E. Kelly hereby requests an extension to file its Annual Report as required by Section 393.140(6) R.S.Mo 2000. In support of the Application for Extension until July 15, 2007 to File Annual Report, Central Rivers States as follows:

1. Central Rivers Wastewater Utility, Inc.'s annual report is currently due on April 15, 2007. Central Rivers Wastewater Utility, Inc. is a Missouri Corporation in good standing which has been issued Certificates of Public Convenience to provide sewer utility service in Clay and Ray Counties of Missouri.
2. Central Rivers Wastewater Utility, Inc.'s accountant due to the tax season has not been able to compile the required information and documentation to file the annual report.
3. There are currently no cases on file before the Commission that would require Central Rivers Wastewater Utility, Inc. to notify other parties of this extension request.
4. That this request is not made in the effort of delay nor will it prejudice any party, however it is necessary to sufficiently compile the information and documentation required to complete the required report.

Respectfully submitted,
