Case No. SC-2004-0341

SUPPLEMENTAL RESPONSE OF STAFF

COMES NOW the Staff of the Missouri Public Service Commission ("Staff") and for its Supplemental Response in the above-captioned case respectfully states as follows:

1. Staff has performed an investigation to determine why Commission records had not been updated regarding an address change for S.T. Ventures, L.L.C.
2. Affidavits of Jim Mercial and Kim Happy are attached hereto and made a part hereof.
3. By said affidavits, it appears that S.T. Ventures, L.L.C., did make an address change request, and was assured that it would be taken care of.
4. Also by said affidavits, it appears that the Commission procedures and business processes may have been impaired with the introduction of EFIS, thereby causing a lapse in proper data collecting and reporting. This lapse resulted in S.T.Ventures, L.L.C.'s, address change not being carried through as requested.

WHEREFORE, Staff respectfully submits its supplemental response.

Respectfully submitted,

DANA K. JOYCE
General Counsel

AFFIDAVIT OF JAMES MERCIEL

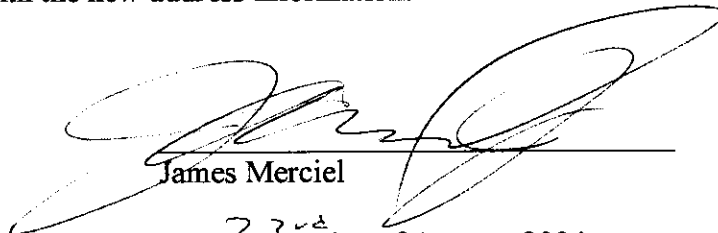

State of Missouri	)

County of Cole	)	

Jim Merciel, of lawful age and having been first duly sworn, states as follows:

1. I am employed by the Missouri Public Service Commission ("Commission") in the Water and Sewer Department, as Assistant Manager - Engineering.
2. Sometime between November 2001 and March 2002, I was contacted via phone by Gary A. Verhaeghe, known to me to be the Manager of S.T. Ventures, L.L.C., regarding a change of address for said company.
3. In that conversation, I told Mr. Verhaeghe that his notification of me of the address change was all that was needed and that I would give the information to the appropriate department of the Commission.

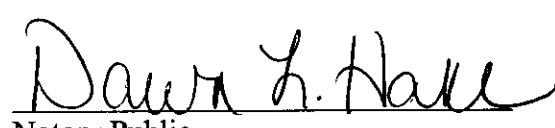

3. On April 4, 2002, I sent an e-mail to Melissa Anderson, a Commission employee, to notify the Data Center of the aforementioned address change, and to request that S.T. Ventures, L.L.C., be sent a Class D Annual Report form. (See Appendix A).

4. Around the same time of my conversation with Mr. Verhaeghe, I also updated the Water and Sewer Department records with the new address information.

AFFIDAVIT OF KIMBERLY HAPPY

State of Missouri	)	
	)	ss
County of Cole	)	

Kimberly Happy, of lawful age and having been first duly sworn, states as follows:

1. I am employed by the Missouri Public Service Commission ("Commission") as Manager of the Data Center.¹
2. On January 16, 2002, the Utility Operations Division staff began preregistering¹ companies by submitting data into EFIS.
3. On January 23, 2002, S.T. Ventures, L.L.C., was preregistered in EFIS showing the address as 113 Picket Ridge, Kirbyville, MO 65679. Attached is a page from the November 6, 2001 company list, from which the EFIS preregistration data was acquired. (See Appendix A).
4. On April 4, 2002, Jim Merciel of the Water and Sewer Department sent an e-mail to Melissa Anderson in the Data Center and Helen Davis in Budget and Fiscal Services advising

¹ Initial population of EFIS database, prior to use by the public.

them of a change of address for S.T. Ventures, L.L.C. The e-mail indicated that the new address for S.T. Ventures, L.L.C., was 9240 West 167th Street, Stillwell, KS 66085.

5. Shortly after notification of the address change, Melissa Anderson updated the “Old Docket System” with the new address, as the EFIS database was not yet in wide scale use. (See Attachment B).

6. On April 15, 2002, EFIS was put into production with an address of 113 Picket Ridge, Kirbyville, MO 65679 for S.T. Ventures, L.L.C. The Data Center, at the time of initial production, did not have access to the EFIS system and did not update company information to show the new address in EFIS. Data Center staff were also informed that companies would be responsible for maintaining their own contact data in EFIS.

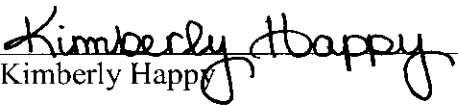

7. On May 20, 2002, the Commission received the 2001 Annual Report of S.T. Ventures, L.L.C. The 2001 report included the mailing address of 9240 West 167th Street, Stillwell, KS 66085, which is listed as the current address for S.T. Ventures, L.L.C., in Commission records.

8. The 2001 Annual Reports, once received in the Data Center, were marked with the date of receipt and centrally filed for access by Commission staff, as needed. The annual reports were not checked against current address lists therefore, St. Ventures, L.L.C., change of address, reported in the annual report was not noted by the Data Center staff.

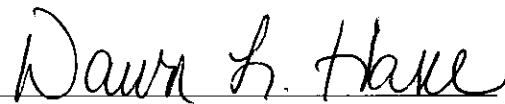

9. On February 6, 2003, Data Center staff mailed the 2002 Annual Report Forms to all certificated companies. The attached list shows that the annual report form for S.T. Ventures, L.L.C., was mailed to 113 Picket Ridge, Kirbyville, MO 65679. (See Attachment C).

10. On or around April 2003, the Data Center generated a list of returned mail from the 2002 Annual Report Mailing. The annual report mailing for S.T. Ventures, L.L.C., was not returned and the Data Center assumed that the Kirbyville address was still valid. (See Attachment D).

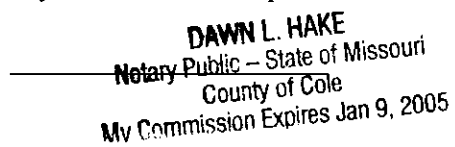

11. The EFIS database was updated with S.T. Ventures, L.L.C.'s correct address on February 24, 2004.
