Case No. TM-2005-0324

STAFF'S SECOND STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission and for its second status report states:

1. On March 24, 2005, Matrix Telecom, Inc., Global Crossing Telecommunications, Inc., Global Crossing Local Services, Inc., and Global Crossing Telemanagement, Inc., filed an application requesting approval of a transaction in which Matrix would acquire, *inter alia*, the basic local customers of the Global Crossing companies.

2. The Commission directed the Staff to file, no later than May 31, 2005, a second status report.

3. On April 29, 2005, Matrix filed an application in Case No. CA-2005-0393 requesting a certificate of service authority to provide basic local telecommunications service. The Staff is working with Matrix on revising its proposed basic local tariff. The Staff notes that Matrix has not yet filed an interconnection agreement. Before the Staff can recommend approval of this proposed transfer of basic local customers, Matrix will

need a basic local certificate, a basic local tariff, and an approved interconnection agreement.

Respectfully submitted,
