Local and Interexchange Telecommunications)	
Services of XO Communications Services, Inc.)	

STAFF MOTION

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”) and for its motion, states as follows:

1. On September 15, 2011, XO Communications Services, Inc. (“XO”) requested the Missouri Public Service Commission (“Commission”) cancel its certificate of service authority to provide basic local exchange and interexchange telecommunications service. XO was granted authority to provide such telecommunications services in File No. LO-2005-0027. The request is filed in EFIS under BCES-2012-0047.

2. Because XO requested cancellation of its service authority and it is not providing telecommunications services in Missouri, Staff recommends the Commission cancel its certificate.

3. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides “[a]ny certificate of service authority may be altered or modified by the Commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

WHEREFORE, Staff recommends that the Commission cancel the Certificate of Service Authority for XO Communications Services, Inc. to provide local exchange and interexchange telecommunications service in Missouri, and cancel any accompanying tariff(s).

Respectfully submitted,

Colleen M. Dale
