Inc.'s Application for Extension to File Annual Report    )  
**Case No. SE-2007-0353**

**ORDER GRANTING EXTENSION**  
**OF TIME TO FILE ANNUAL REPORT**

Issue Date: April 10, 2007

Effective Date: April 10, 2007

Central Rivers Wastewater Utility, Inc. ("Central Rivers") is a Missouri corporation providing sewer service in Clay and Ray Counties, Missouri. Central Rivers is required to file an annual report with the Commission by April 15, 2007. On March 26, 2007, Central Rivers filed an Application for Extension to File Annual Report, requesting an extension until July 15, 2007 in which to file its annual report. Central Rivers asserts that because of the tax season its accountant has been unable to complete the required information and documentation to file the report.

On April 9, 2007, the Staff of the Missouri Public Service Commission filed a recommendation in this case concluding that Central Rivers had established good cause for granting the requested extension. Staff asks that the company be directed to attach this order to its annual report when it is filed.

The Commission finds good cause for extending the time for Central Rivers to file its annual report. The Commission will grant the company's motion and direct it to file its annual report no later than July 15, 2007.

**IT IS ORDERED THAT:**

1. Central Rivers Wastewater Utility, Inc. is granted an extension of time until July 15, 2007, to file its sewer annual report.
2. Central Rivers Wastewater Utility, Inc. shall attach a copy of this order to its annual report when filed.
3. This order shall become effective on April 10, 2007.
