Subject: Staff Recommendation to Recognize a Corporate Name Change and Approve
the Proposed Adoption Notice

Date: October 22, 1999

On October 4, 1999, Charities Network International, Inc. (CNI), a competitive telecommunications company, submitted a proposed adoption notice as a result of its name change to Net One International, Inc. CNI was certificated by the Missouri Public Service Commission to provide interexchange telecommunications service on July 30, 1997 in Case No. TA-97-518. The original certificated name was International Charities Network which changed to Charities Network International, Inc. on May 1, 1999 via Original Adoption Notice Page 1. In addition to the proposed 1st Revised Adoption Notice for the new name, Net One International, Inc., the filing also included a copy of CNI's Application for an Amended Certificate of Authority and an Amended Certificate of Authority from the Missouri Secretary of State. On October 14, 1999 CNI submitted a substitute tariff page to correct typing mistakes. This substitute page was reviewed and found acceptable.

The Telecommunications Department Staff (Staff) has no objections to the proposed 1st Revised Adoption Notice and request the Commission amend CNI's certificate of service authority to reflect the new company name: Net One International Inc., and approve the following tariff page to become effective November 4, 1999:

Net One International Inc. Missouri P.S.C. No. 1
1st Revised Adoption Notice Page 1

The Staff is unaware of any other filing which affects or which would be affected by this filing.
