 - 2.1.2 Non-List Number - A telephone number that, at the request of the telephone subscriber, is not published in a telephone directory, but is available by calling a SBC MISSOURI DA Operator.
 - 2.1.3 IntraLATA Home NPA (HNPA) - Where a LATA is comprised of one area code or Numbering Plan Area (NPA).
 - 2.1.4 Intentionally Omitted

3. SERVICES

- 3.1 All DA Services described herein shall be provided in accordance with Applicable Law.
- 3.2 SBC MISSOURI shall provide Directory Assistance in accordance with the terms and conditions herein, unless SBC MISSOURI provides MCI^m with customized routing as defined in Appendix UNE.
 - 3.2.1 Directory Assistance (DA)
 - 3.2.1.1 Listing Information: SBC MISSOURI shall provide to MCI^m the same listing information that it provides to its own subscribers. DA information will include the telephone numbers for MCI^m end user customers who opt for Non-List Number status in the White Pages Directories.
 - 3.2.2 Directory Assistance Call Completion (DACC) or Express Call Completion (ECC): A service in which a local or an intraLATA call to the requested number is completed on behalf of MCI^m's end user customer utilizing an automated voice system or with operator assistance.
 - 3.2.3 National Directory Assistance (NDA): Consists of a service whereby end users may request directory assistance information outside their LATA or Home NPA for a listed telephone number for residential, business and government accounts throughout the 50 states.

3.2.4 Intentionally Omitted

3.2.6 BUSINESS CATEGORY SEARCH (BCS): SBC MISSOURI - A service which will provide MCIm's End Users the ability to request business telephone number listings for a specified category of business, when the name of the business is not known. Telephone numbers may be requested for local and national businesses. A maximum of ten requested telephone numbers will be provided for each BCS call.

4. CALL BRANDING

4.1 Call Branding is the process by which an operator, either live or recorded, will identify the DA provider as being MCIm, audibly and distinctly to the MCIm end user at the beginning of each DA call. In all cases, SBC MISSOURI will brand the DA call as directed by MCIm. MCIm will provide written specifications of its name or announcement to be used by SBC MISSOURI to create the recorded branding announcement for its DA calls as outlined in the Operator Services/Directory Services Questionnaire.

4.2 Where not technically feasible or where MCIm does not request branding, SBC will have the recorded announcement for such calls play silence instead of a recorded brand. Where technically feasible and/or available, SBC MISSOURI will brand DA based upon the criteria outlined.

4.2.1 Where SBC MISSOURI is only providing DA on behalf of MCIm, the calls will be branded. When the same trunk group is used to provide OS and DA services to MCIm, calls will be branded at MCIm's request with the same brand. There may be separate brands where separate trunk groups are utilized.

4.2.2 Branding Load Charges

4.2.2.1 Non-recurring load charges apply per brand, per Directory Assistance Switch (and per OCN, if multiple OCNs are used) for the establishment of MCIm specific branding. In addition, a per call "branding" (i.e. recorded announcement) charge applies for every DA call handled by the automated recording in the SBC MISSOURI DA platform.

4.2.3 Branding charges are included in Appendix Pricing.

5. DIRECTORY ASSISTANCE (DA) RATE/REFERENCE INFORMATION

5.1 If MCIm elects to use DA Services where technically feasible and/or available, SBC MISSOURI will provide MCIm DA Rate/Reference Information, based upon the criteria outlined below:

5.1.1 MCIm will furnish DA Rate and Reference Information in accordance with process outlined in Operator Services Questionnaire or as mutually agreed to format or media thirty (30) calendar days in advance of the date when the DA Services are to be undertaken.

An additional non-recurring charge will apply per state, per Operator assistance switch for each subsequent change to either MCIIm's DA Services Rate or Reference Information subject to the requirements herein.
