Rodney Glenn Construction, Inc.; RDG Development LLC; and Rodney Glenn, a natural person)	
)	
Respondent.)	

STAFF’S STATUS REPORT AND MOTION TO STAY THE IMPOSITION OF A DEFAULT ORDER

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through Counsel, and for its *Status Report and Motion* states:

1. On February 25, 2009, the Staff of the Missouri Public Service Commission filed a complaint with the Missouri Public Service Commission (“Commission”) against Rodney Glenn Construction, Inc., RDG Development, LLC, and Rodney Glenn, a natural person.

2. On September 14, 2009, RDG Development, LLC, filed an *Application* with the Commission, seeking a Certificate of Convenience and Necessity to provide sewer service to the existing subdivision known as Greenwood Hills, located in Callaway County near Fulton, Missouri. This case has been docketed as Case No. SA-2010-0096.

3. On December 9, 2009, the Commission entered an Order granting a Certificate of Convenience and Necessity (“*Order*”) to RDG Development LLC for the provision of sewer service in the Greenwood Hills subdivision in Case No. SA-2010-0096.

4. The Commission’s ordered paragraphs 4, 5, 6, and 7 in that December 9, 2009 *Order* contain provisions that have not yet, to the Staff’s knowledge, been satisfied.

5. The Staff recommends that the Commission defer disposition of this case, Case No. SC-2009-0304, until the earlier of (1) the satisfaction of conditions 4, 6, and 7; or (2) 90 days after the effective date of the Commission's *Order* in Case No. SA-2010-0096.

6. Staff does not believe that any party will be harmed by the granting of its *Motion to Stay the Imposition of a Default Order*, nor does Staff make its request so as to unduly delay these proceedings.

WHEREFORE, Staff requests that the Commission accept this *Status Report* in compliance with its November 16, 2009 *Order*, and defer entering an Order of Default at this time.

Respectfully submitted,

/s/ Sarah Kliethermes

Sarah L. Kliethermes
Associate Counsel
