Case No. \_\_\_\_\_

**MOTION FOR EXPEDITED TREATMENT**

Comes now Aquila, Inc. d/b/a/ Aquila Networks – L&P, and Aquila Networks - MPS (“Aquila”), in accordance with Missouri Public Service Commission (“Commission”) Rule 4 CSR 240-2.080(16), and, as its Motion for Expedited Treatment, states to the Commission as follows:

1. With this Motion, Aquila is filing the following revised Rules and Regulations (Rules), deleting superseded energy audit programs, including the Residential Mail-in Audits, Large Commercial and Industrial Audits, and Small Commercial and Industrial Audits. Aquila is also revising its Index to reflect these changes.

**Aquila Networks, P.S.C. Mo. No. 1, Electric Rules, Effective July 17, 2008**

5<sup>th</sup> Revised Sheet No. R-3, canceling 4<sup>th</sup> Revised Sheet No. R-3;  
1st Revised Sheet No. R-63, canceling Original Sheet No. R-63; and  
1st Revised Sheet No. R-64, canceling Original Sheet No. R-64.

These Rules contain an issue date of June 17, 2008, and an effective date of July 17, 2008.

2. These Rules were superseded by new energy audit programs, including Home Performance with Energy Star® and Energy Audit and Energy Savings Measures Program approved and incorporated as Aquila Rules 10.04 and 10.05 at R-64.01-.05, which became effective on April 30, 2008.

3. Aquila now seeks to revise its Rules to reflect the cancellation of the former energy audit programs as described in paragraph 1 above.

4. For its Motion for Expedited Treatment, Aquila requests that the revised Rules become effective on June 27 rather than July 17. In support thereof, Aquila states that if the Commission approves the merger transaction between Aquila and a subsidiary of Great Plains Energy Inc. as requested in Case No. EM-2007-0374, an updated version of Aquila's Rules would help facilitate a more efficient transition.

5. Neither the Commission's Staff nor the Office of Public Counsel opposes the proposed revisions to these Rules or this motion requesting an expedited effective date.

WHEREFORE, for all the foregoing reasons, Aquila, Inc. d/b/a Aquila Networks – L&P and Aquila Networks –MPS respectfully requests the Commission to consider this Motion for Expedited Treatment and to approve the proposed revised Rules effective June 27, 2008.

Respectfully submitted,
