**MOTION TO CANCEL CERTIFICATE OF SERVICE AUTHORITY**

**COMES NOW** the Staff of the Missouri Public Service Commission (“Staff”) and moves for the Missouri Public Service Commission (“Commission”) to cancel the certificate of service authority to provide interexchange and non-switched local exchange telecommunication service in the State of Missouri of Corcom Communications, Inc., (Company) and states:

1. The Commission previously granted a certificate of service authority to the Company to provide interexchange and non-switched local exchange telecommunication service authority in Case No. TA-2015-0342, effective August 7, 2015.

2. According to the Company's March 1, 2023 filing in the above-captioned cause, as of July 2022, the Company is no longer providing telecommunication services in Missouri or elsewhere, and all of the Company's clients "have been ported and offboarded to new providers so there is no lapse in service."

3. In addition, the Company is current with its annual reports and payment of annual fees assessed by the PSC.

4. The Commission has the authority to cancel a telecommunications certificate, or registration, pursuant to § 392.410.5, RSMo, which provides “[a]ny certificate of service authority may be altered or modified by the commission after notice

and hearing, upon its own motion or upon application of the person or company affected.”

5. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo.App. W.D. 1989).

**WHEREFORE**, Staff respectfully recommends the Commission cancel the certificate of service authority to provide interexchange and non-switched local exchange telecommunication services of Corcom Communications, Inc., and grant such other and further relief as is just and reasonable under the circumstances.

Respectfully submitted,
