Re: Notice of Complaint
Case No. SC-2008-0409
Christy and Michael Scrivner

Dear Sir,

We are in receipt of the Notice of Complaint Case No. SC-2008-0409 against House Springs Sewer Company. However, we are following the rules as written on page 3A of the House Springs Sewer Company tariff issued by the Missouri Public Service Commission. It states a full service restaurant C.I.A.C. rate is \$85.00 per seat. The plans I received from the customer shows 128 inside seats. 128 x \$85.00 equals \$10,880.00, which is the amount I listed in the Agreement for Sewer Service. I was not informed of the restaurant having a garbage grinder. If the restaurant will have a garbage grinder our tariff lists an additional charge of \$3,000.00, making the C.I.A.C. fee of \$13,880.00 plus a \$35.00 inspection fee.

During our annual inspection in June, I discussed this new restaurant with Mr. Steve Loethen. After returning to Jefferson City, Mr. Loethen addressed the situation with Mr. Jim Busch and they both agreed I was following the rules in our tariff.

If you have any questions, please feel free to contact me.

Sincerely,

Pat Fribis
