File No. SC-2010-0161

STAFF'S NOTICE OF WITHDRAWAL OF COMPLAINT

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through the undersigned counsel, and respectfully provides *Staff's Notice of Withdrawal of Complaint* to the Commission stating the following in support thereof:

1. On November 24, 2009, the Staff filed a *Complaint* against the Respondents, which asserted the unlawful provision of sewer service to the public for gain in Stone County, Missouri, without certification or other authority from the Commission.

2. On January 21, 2010, Canyon Treatment Facility, LLC, (Canyon Treatment) filed an Application for Permission, Approval and a Certificate of Convenience and Necessity (CCN) Authorizing it to Acquire, Construct, Install, Own, Operate, Manage, and/or Maintain a Sewer System for the Public Located in Stone County, Missouri. This Application case was assigned Commission Case No. SA-2012-0219.

3. On June 16, 2012, Staff asserted this case should remain open until a receiver has been appointed to oversee the daily operations of Canyon treatment or upon the Commission-approved purchase of the system.

4. On July 17, 2012, the Commission issued an *Order Approving Unanimous Stipulation and Agreement and Authorizing Transfer of Asset* in Commission Case No. SA-2012-0219. As a result, the system that is subject to this *Complaint* has been purchased by and transferred to Stone County Sewer District No. 1 (Sewer District).

5. Staff received confirmation that the transfer to the Sewer District was completed on July 23, 2012. Staff now withdraws the *Complaint*.

WHEREFORE, Staff respectfully submits this *Notice of Withdrawal of Complaint* and respectfully requests the Commission close this case and provide any other relief as it deems necessary and appropriate.

Respectfully submitted,

/s/ Rachel M. Lewis
