On June 15, 2006, Socket Telecom, LLC, filed a complaint with the Missouri Public Service Commission against MCI Communications Services, Inc., d/b/a Verizon Business Services. A copy of the complaint is enclosed. Under Commission Rule 4 CSR 240-2.070, the respondent has 30 days from the date of this notice to file an answer or to file notification that the complaint has been satisfied. Since this notice is being issued on June 16, the respondent's answer is due by July 16.

In the alternative, Verizon Business Services may file a written request that the complaint be referred to a neutral third-party mediator for voluntary mediation. If the Commission receives a request for mediation, the 30-day time period for filing an answer or notice of satisfaction will be tolled while the Commission determines whether the complainant is also willing to mediate. If the complainant agrees to mediation, the time for Verizon Business Services to file an answer or notice of satisfaction will be

suspended until the mediation is finished. Additional information regarding the mediation process is enclosed.

If the complainant does not wish to mediate, Verizon Business Services will be notified in writing that the tolling has ceased and will also be told when to file its answer or notice of satisfaction. That response will usually be due at the end the remaining portion of the original 30-day period.

All pleadings, including the answer, must be mailed to:

Secretary of the Public Service Commission  
P.O. Box 360  
Jefferson City, Missouri 65102-0360

A copy must be served upon the complainant's counsel at the address listed within the enclosed complaint. A copy of this notice has been mailed to the complainant.
