Issue Date: June 1, 2010

On May 28, 2010, the Commission granted Access Fiber Group, Inc. certificates of service authority to provide local, non-switched local and interexchange telecommunications services. That same order granted Access Fiber waivers from certain statutes and Commission rules. The order inadvertently stated that Access Fiber was granted a waiver from Section 392.300.2 RSMo. This notice corrects the May 28, 2010 order nunc pro tunc, and Access Fiber is granted a waiver from the entirety of Section 392.300 RSMo.
