

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

**In the Matter of the Small Company Rate     )  
Increase Request of Roy-L Utilities Inc.        )**

**Case No. SR-2008-0303**

**RECOMMENDATION REGARDING DISPOSITION  
OF SMALL COMPANY REVENUE INCREASE REQUEST**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff), by and through the undersigned counsel, and for its Recommendation Regarding Disposition of Small Company Revenue Increase Request (Recommendation) states the following to the Missouri Public Service Commission (Commission).

1. On March 20, 2008 (unless noted otherwise, all dates herein refer to the year 2008), Roy-L Utilities (Company) filed proposed revised tariff sheets with the Commission to implement increases in its sewer service rates and charges, and other changes to its tariff, and the instant case was established.

2. On March 27, Staff filed a *Notice of Agreement Regarding Disposition of Small Company Rate Increase Request* entered into by the Company and Staff. As is also noted in the Company's tariff filing transmittal letter, the Disposition Agreement pertains to the small company revenue increase request (Request) that the Company submitted to the Commission on October 23, 2007, under the provisions of Commission Rule 4 CSR 240-3.330, Sewer Utility Small Company Rate Increase Procedure (Small Company Procedure). Initially, the Company's Request was assigned Tracking No. QS-2008-0001 in the Commission's electronic filing and information system.

3. On April 15, after additional negotiations between all of the parties to the case, Staff filed a *Unanimous Agreement Regarding Disposition of Small Sewer Company Revenue*

*Increase Request* (Unanimous Disposition Agreement or Agreement) entered into by the Company, the Staff and the Office of the Public Counsel (OPC).

4. Included with the Unanimous Disposition Agreement were the attachments listed below, as well as affidavits from the Staff members that were responsible for the preparation of each of the attachments.

- \* Attachment A – Example Tariff Sheets
- \* Attachment B – Ratemaking Income Statement
- \* Attachment C – Audit Workpapers
- \* Attachment D – Rate Design Worksheet
- \* Attachment E – Customer Billing Comparison
- \* Attachment F – Schedule of Depreciation Rates
- \* Attachment G – Engineering & Management Services Department Report

5. The agreements between the Company, the Staff and the OPC regarding the disposition of the Company's Request are set out on Pages 1 through 3 of the Unanimous Disposition Agreement.

6. On April 28, 2008, the Company filed substitute Tariff Sheet No. 4 and a proposed Title Sheet with the Commission to implement the increases in its sewer service rates and charges that are described in the Unanimous Disposition Agreement.

7. In addition to the information that has been filed in the case file for this case, the following documents are included in the Tracking File for the Company's Request.

- \* Item 1     Company's Original Request Letter
- \* Item 3     Company's Initial Customer Notice
- \* Item 4     Staff Report Regarding Customer Comments Received  
                  in Response to Company's Initial Customer Notice

8. Pursuant to a review of available electronic information maintained by the Commission's Budget & Fiscal Services Department and in the Commission's Electronic Filing

and Information System, the Staff notes that the Company had no delinquencies regarding the payment of its Commission assessments or the submission of its Commission annual reports or on the submission of its statements of annual operating revenues when it submitted its Request. Further, the Staff notes that the Company remains current on those matters as of the date of this Recommendation. The assessment information reviewed covers fiscal years 2000 through 2008, the annual report information reviewed covers calendar years 2002 through 2007, and the statements of annual operating revenues covers calendar years through 2007. Also, the Company is in good standing with the Missouri Secretary of State.

9. Based upon contacts with appropriate personnel at the Department of Natural Resources ("DNR"), the Staff notes that the Company currently has no outstanding DNR compliance issues.

10. The Company currently has no other matters pending before the Commission. As a result, approval of the Company's proposed revised tariff sheets will not affect any other matter before the Commission with regard to the Company.

11. The Commission has the authority to approve the subject proposed tariff revisions in accordance with Sections 393.140(11) and 393.150, RSMo. Additionally, Section 393.130.1, RSMo provides that all charges made by any sewer corporation for sewer service rendered or to be rendered shall be "just and reasonable." The Staff's and the OPC's agreement with the proposed tariff revisions are evidence that the rates and charges contained in the tariff revisions are just and reasonable.

12. The procedure followed in this case complies with the requirements of the Small Company Procedure in general, and with 4 CSR 240-3.330(1)(C) in particular.

**WHEREFORE**, based upon the above, the Staff respectfully recommends that the Commission issue an order that: (a) approves the Unanimous Disposition Agreement submitted

in this case; (b) directs the Company to comply with the terms of the Unanimous Disposition Agreement submitted in this case; (c) approves the substitute Tariff Sheet No. 4 and the proposed Title Sheet that the Company submitted on April 28, 2008, to be effective for service rendered on and after May 5; (d) approves the other revised tariff sheets that the Company submitted on March 20, 2008, to be effective for service rendered on and after May 5; and (e) prescribes the schedule of depreciation rates included as Attachment F to the Unanimous Disposition Agreement submitted in this case as the schedule of depreciation rates authorized for the Company's use.

Respectfully Submitted,

/s/ **Keith R. Krueger**
