On June 13, 2018, PowerComm Broadband, LLC (PowerComm), filed a Second Amended Application for registration to provide telephone and interconnected Voice over Internet Protocol (VoIP) service in exchanges statewide in the state of Missouri, pursuant to Section 392.550 and Subsection 392.611.4, RSMo. On June 15, 2018, the Staff of the Missouri Public Service Commission (Staff) filed its recommendation regarding the application and on June 20, 2018, provided a clarification to that recommendation.

The Commission has reviewed the application filed by the company and finds that the application and its attached affidavit comply with the filing requirements set forth in Section 392.550, RSMo 2016, for registration. Additionally, the Staff stated in its clarification that Staff would assist PowerComm in either filing the appropriate tariffs with the Commission and/or ensuring that the necessary information for PowerComm's customers is provided on a publicly accessible website.
