Q. ARE ALL OF THE COMPANIES FOR WHICH YOU BILL INTRASTATE COMMUNICATIONS CERTIFICATED IN MISSOURI?

A. Our current policy is to sign contracts only with carriers who are certificated; however, before this policy was put into effect, we signed contracts with uncertificated carriers. There are approximately 11 carriers for which we are performing intrastate billing service who do not hold a certificate in Missouri. We have contacted these carriers in an effort to have them request certificates. We will keep the Commission informed as to the progress of this effort.

REVISED LANGUAGE

We will contact these carriers in an effort to have them request certificates.
