CANCELLING MO.P.S.C. SCHEDULE NO. _____

SHEET NO. _____

APPLYING TO _____

MISSOURI SERVICE AREA*** RIDER IRA****INTERIM RATE ADJUSTMENT RIDER****APPLICABILITY**

This Rider IRA is applicable to net billings (i.e., exclusive of sales or revenue related taxes) for all service delivered to customers served by the Company under Service Classification Nos. 1(M), 2(M), 3(M), 4(M), 5(M), 6(M), 7(M), 8(M), 11(M), and 12(M).

INTERIM RATE ADJUSTMENT

In addition to the charges which the Company makes for electric service set forth in its approved and effective rate schedules, the following interim rate adjustment shall be applied to customer's monthly billing amounts, exclusive of taxes, and will be stated as a separate line item on the customer's bill.

Interim Rate Adjustment (IRA)

1.67%

TERMS AND CONDITIONS

This Rider IRA shall be in effect until June 21, 2010, or the effective date of such revisions to the Company's permanent rate schedules as may be authorized pursuant to the MoPSC's Report and Order in the Company's electric rate case filed on July 24, 2009, whichever comes first. Revenues collected under this Rider IRA shall be interim, subject to refund, with any refunds ordered by the MoPSC to bear annual simple interest equal to the Company's short term interest rate during the applicable period, and to be accomplished by bill credit.

* Indicates Addition.
