In the matter of the application of)
Calls For Less, Inc. for a certificate)
CASE NO. TA-95-256
of service authority to provide intrastate)
interexchange telecommunications services.

ORDER GRANTING INTERVENTION

Calls For Less, Inc. (Applicant) applied to the Public Service Commission (Commission) on February 28, 1995, for a certificate of service authority to provide intrastate interexchange telecommunications services in Missouri under § 392.440 RSMo 1994. The Commission issued a Notice and Schedule of Applicants on March 7, 1995, directing parties wishing to intervene to do so by March 22, 1995. Call For Less Long Distance, Inc. (Movant) requested permission to intervene on March 15, 1995. Movant received a certificate of service authority on July 15, 1994, in Case No. TA-94-344 and operates in Missouri under the name Call For Less Long Distance, Inc. Because the name the Applicant intends to use is similar, Movant objected to granting Applicant a certificate of service authority.

The Commission finds that Movant has an interest in this matter which is different from that of the general public and the request for intervention should be granted.

IT IS THEREFORE ORDERED:

1. That Call For Less Long Distance, Inc. is granted permission to intervene in this matter in accordance with 4 CSR 240-2.110(11)-(14).

2. That this order shall be effective on the date hereof.
