Re: Nexus Communications, Inc. d/b/a TSI

Dear Judge Roberts:

On January 8, 2004, Nexus Communications, Inc. d/b/a TSI ("TSI") filed its Notice of Adoption of the Missouri 271 Interconnection Agreement ("M2A") of Southwestern Bell Telephone Company, now Southwestern Bell Telephone, L.P., a Texas limited partnership, doing business as SBC Missouri.

We are writing to advise that TSI and SBC Missouri have now entered into a Post-TRO Remand (Loop-Transport Rate Increase and Embedded Base Transition) Amendment under Sections 251 and 252 of the Telecommunications Act of 1996. This Amendment is attached for filing with your office.

Any questions regarding this filing may be directed to me at 314-235-2508. Thank you for bringing this matter to the attention of the Commission.

Very truly yours,

A handwritten signature in dark ink, appearing to read "Leo J. Bub".

Leo J. Bub

cc: General Counsel's Office
Office of the Public Counsel

Appendix A

**POST-TRO REMAND (LOOP-TRANSPORT RATE INCREASE AND EMBEDDED BASE
TRANSITION)
AMENDMENT TO
INTERCONNECTION AGREEMENT
BETWEEN
SOUTHWESTERN BELL TELEPHONE, L.P. d/b/a SBC MISSOURI
AND
NEXUS COMMUNICATIONS, INC. d/b/a TSI (“CLEC”)**

This is a Post-TRO Remand (Loop-Transport Rate Increase and Embedded Base Transition) Amendment (the “Amendment”) to the Interconnection Agreement by and between Southwestern Bell Telephone, L.P. d/b/a SBC Missouri (“SBC Missouri”) and CLEC (collectively referred to as “the Parties”) (“Agreement”) previously entered into by and between the Parties pursuant to Sections 251 and 252 of the Telecommunications Act of 1996 (the “Act”).

WHEREAS, the FCC issued its Order on Remand, including related unbundling rules,¹ on February 4, 2005 (“TRO Remand Order”), holding that an incumbent LEC is not required to provide access to certain high-capacity loop and certain dedicated transport on an unbundled basis to requesting telecommunications carriers (CLECs);

NOW, THEREFORE, the Parties wish to amend the Agreement, pursuant to Section 252(a)(1) of the Act and the terms of their Agreement, to be consistent with at least the high capacity loop and dedicated transport findings by the FCC in its TRO Remand Order, and in consideration of the foregoing, and the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. Notwithstanding anything in the Agreement, pursuant to Rule 51.319(a) and Rule 51.319(e) as set forth in the TRO Remand Order, effective March 11, 2005, CLEC is not permitted to obtain the following new unbundled high-capacity loop and dedicated transport elements, either alone or in combination:

Dark Fiber Loops;

DS1/DS3 Loops in excess of the caps or to any building served by a wire center described in Rule 51.319(a)(4) or 51.319(a)(5), as applicable;

DS1/DS3 Transport in excess of the caps or between any pair of wire centers as described in Rule 51.319(e)(2)(ii) or 51.319(e)(2)(iii), as applicable; or

Dark Fiber Transport, between any pair of wire centers as described in Rule 51.319(e)(2)(iv).

The above-listed element(s) are referred to herein as the “Affected Element(s).”

Accordingly, pursuant to Rules 51.319(a) and (e), although SBC Missouri shall continue to provide CLEC’s embedded base of the Affected Element(s) (i.e., only Affected Elements ordered by CLEC before March 11, 2005), if and as provided by the Agreement, the price for the embedded base Affected Element(s) shall be the higher of (A) the rate CLEC paid for the Affected Element(s) as of June 15, 2004 *plus* 15% or (B) the rate the state commission has established or establishes, if any, between June 16, 2004 and March 11, 2005 for the Affected Element(s), *plus* 15%. CLEC shall be fully liable to SBC Missouri to pay such pricing under the Agreement, including applicable terms and conditions setting forth penalties for failure to comply with payment terms, notwithstanding anything to the contrary in the Agreement.

2. CLEC will complete the transition of embedded base Affected Elements to an alternative arrangement by the end of the transition period defined in the TRO Remand Order (12 or 18 months from the TRO Remand Order’s effective date, as applicable). For Dark Fiber Affected Elements, CLEC will remove all CLEC services from such

¹ Order on Remand, *Unbundled Access to Network Elements; Review of the Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers*, WC Docket No. 04-313; CC Docket No. 01-338, (FCC released Feb. 4, 2005).

Dark Fiber Affected Elements and return the facilities to SBC Missouri by the end of the transition period defined in the TRO Remand Order for such Dark Fiber Affected Elements.

3. Paragraphs 1 and 2, above, apply and are operative regardless of whether CLEC is requesting the Affected Element(s) under the Agreement or under a state tariff, if applicable, and regardless of whether the state tariff is referenced in the Agreement or not.
4. In entering into this Amendment, neither Party is waiving, and each Party hereby expressly reserves, any of the rights, remedies or arguments it may have at law or under the intervening law or regulatory change provisions in the underlying Agreement (including intervening law rights asserted by either Party via written notice predating this Amendment) with respect to any orders, decisions, legislation or proceedings and any remands thereof, including, without limitation, the following actions, which the Parties have not yet fully incorporated into this Agreement or which may be the subject of further review: *Verizon v. FCC, et. al*, 535 U.S. 467 (2002); *USTA, et. al v. FCC*, 290 F.3d 415 (D.C. Cir. 2002) ("*USTA I*") and following remand and appeal, *USTA v. FCC*, 359 F.3d 554 (D.C. Cir. 2004) ("*USTA II*"); the FCC's 2003 Triennial Review Order and 2005 Triennial Review Remand Order; and the FCC's Order on Remand and Report and Order in CC Dockets No. 96-98 and 99-68, 16 FCC Rcd 9151 (2001), (rel. April 27, 2001), which was remanded in *WorldCom, Inc. v. FCC*, 288 F.3d 429 (D.C. Cir. 2002).
5. The Parties acknowledge and agree that this Amendment shall be filed with, and is subject to approval by the Missouri Public Service Commission and shall become effective ten (10) days following the date upon which such state commission approves this amendment under Section 252(e) of the Act or, absent such state commission approval, the date this amendment is deemed approved by operation of law.

IN WITNESS WHEREOF, this Amendment to the Agreement was exchanged in triplicate on this 21 day of FEBRUARY, 2005, by the Parties, signing by and through their duly authorized representatives
