SECTION 2. RULES AND REGULATIONS (Continued)

2.7 Notices

Any notice Company may give to a Customer shall be deemed properly given when delivered, if delivered in person, or when sent via facsimile, electronic mail or when deposited with the U.S. Postal Service or other express delivery service.

2.8 Payment and Rendering of Bills

- A. The Company shall bill all charges incurred by and credits due to the Customer. The Customer may choose to receive bills in either paper or electronic format. Such bills are due within thirty (30) days after the date of issuance thereof, regardless of the media utilized. The Company shall bill in advance charges for all Services to be provided during the ensuing billing period except for charges associated with Service usage. Adjustments for the quantities of Service established or discontinued in any billing period beyond the minimum period will be prorated to the number of days based on a 30 day month. The Company will, upon request and if available, furnish such detailed information as may reasonably be required for verification of the bill.
- B. The Company shall bill for all Services rendered within 180 days of when those Services are provided.

SECTION 2. RULES AND REGULATIONS (Continued)

2.8 Payment and Rendering of Bills (Continued)

- C. All bills for Service provided to the customer by the Company are due thirty (30) days from the date of issuance of the bill. If any portion of the payment is received by the Company after the payment due date as set forth above, or if any portion of the payment is received by the Company in funds which are not immediately available to the Company, then a late payment penalty shall be due the Company. The late payment penalty shall be a portion of the payment not received by the payment due date times a late factor. The late factor shall be 1.5% per month (0.049315% per day) or 18% annually, or the highest rate allowed by law, whichever is the lesser. The late factor will be applied for the number of days from the payment due date to and including the date that the Customer makes the late payment funds immediately available to the Company.
- D. Customer shall be responsible for payment of all sales, use, gross receipts, excise, access, bypass, franchise or other local, state and Federal taxes, fees, charges, or surcharges, however designated, imposed on or based upon the provision, sale or use of the Services rendered by Company, (excepting Company's income taxes). Such taxes shall be separately stated on the Customer's invoice.

SECTION 2. RULES AND REGULATIONS (Continued)

2.9 Disputed Bills

In the event that a billing dispute occurs concerning any charges billed to the Customer by the Company, the Customer must pay the undisputed portion of the invoice in full and submit a documented claim for the disputed amount. The Customer shall submit all documentation as may reasonably be required to support the claim. All claims must be submitted to the Company within 60 days of receipt of billing for those Services. If the Customer does not submit a claim as stated above, the Customer waives all rights to filing a claim thereafter. Unless disputed, the invoice shall be deemed to be correct and payable in full by Customer. If the Customer is unable to resolve any dispute with the Company, then Customer may file a complaint with this Commission.

If the dispute is resolved in favor of the Customer and the Customer has withheld the disputed amount, no interest or penalties will apply.

SECTION 2. RULES AND REGULATIONS (Continued)

2.10 Discontinuance and Restoration of Service

2.10.1 Cancellation by the Company

- A. For Nonpayment: The Company may, upon ten (10) days written notice to the Customer, discontinue Service or cancel a Service Order without incurring any liability when there is an unpaid balance for Service that is overdue.
- B. For Returned Checks: A Customer whose check or draft is returned unpaid for any reason shall be subject to discontinuance of Service in the same manner as provided for nonpayment of overdue charges.
- C. For any violation of law or rules: A Customer shall be subject to discontinuance of Service, without notice, for any violation of any law, rule, regulation or policy of any government authority having jurisdiction over Service, or by reason of any order or decision of a court or other government authority having jurisdiction which prohibits the Company from furnishing such Service.
- D. For the Company to comply with any order or request of any governmental authority having jurisdiction: The Customer shall be subject to discontinuance of Service, without notice, for the Company to comply with any order or request of any governmental authority having jurisdiction.

SECTION 2. RULES AND REGULATIONS (Continued)

2.10 Discontinuance and Restoration of Service (Continued)

2.10.1 Cancellation by the Company (Continued)

- E. For Other Causes: A Customer shall be subject to discontinuance of Service, without notice, in the event of suspected fraud or other unlawful use of the Service, or fraud or misrepresentation in any submission of information required in a Service Order or any other information submitted to Company.
- F. For any Customer filing of bankruptcy or reorganization or failing to discharge an involuntary petition therefor within the time permitted by law: The Company may, if permitted by bankruptcy law, discontinue or suspend Service under this tariff without incurring any liability.

2.10.2 Cancellation of Term Agreement

Upon the cancellation of Service provided under a Term Agreement, an early termination charge shall apply, as referenced in Section 2.22.

2.10.3 Resumption of Service

If Service has been discontinued for nonpayment or as otherwise provided herein and the Customer wishes it continued, Service shall, at the Company's discretion, be restored when all past due amounts are paid or the event giving rise to the discontinuance (if other than nonpayment) is corrected to the satisfaction of Company in Company's sole and absolute discretion. All applicable nonrecurring charges shall apply when Services are restored.

2.11 [RESERVED FOR FUTURE USE]

2.12 [RESERVED FOR FUTURE USE]

2.13 Credit Allowance for Interruptions

A credit allowance will be given on a per line basis for service interruptions, defined as any period during which any line subscribed to by the Customer hereunder and/or, if applicable, Company-provided equipment attached thereto is out of service, except as specified below. Out of service conditions are defined as complete loss of data transmission capability. Credit allowances, if any, shall be deducted from the charges payable by the Customer hereunder and shall be expressly indicated on the next bill to the Customer. An interruption period begins the earlier of when the Customer reports a malfunction in Service to the Company or Company becomes independently aware of such malfunction. A malfunction period ends when the affected line and/or associated equipment is fully operative.

A. Credit allowances do not apply to interruptions:

- 1) caused by the Customer, any End User or any third party;
- 2) due to failure of power or equipment provided by the Customer or others;
- 3) during any period in which the Company is not given access to the Premises;

A. (Continued)

- 4) due to scheduled maintenance and repair;
- 5) due to Acts of God or other events listed in section 2.19(C) below; or
- 6) not reported within 30 days after the interruption.

B. Interruption of Twenty-Four (24) Hour or Less - Portion of Daily Per-Line Charge

<u>Length of Service Interruption</u>	<u>Credit</u>
-Less than 4 hours	None
-4 hours up to but not including 8 hours	1/3 of day
-8 hours up to but not including 12 hours	1/2 of day
-12 hours up to but not including 16 hours	2/3 of day
-16 hours up to 24 hours	one day

Two or more Service interruptions of the same type to the same line/equipment of two (2) hours or more during any one twenty-four (24) hour period shall be considered as one interruption. In no event shall such interruption credits for any one line/equipment exceed one (1) day's fixed recurring charges for such line/equipment in any twenty-four (24) hour period.

2.14 Service Connections (Continued)

- F. Equipment the Company provides or installs at the Customer's or End User's Premises for use in connection with the Services shall not be used for any purpose other than that for which the Company provided it.
- G. The Company shall not be responsible for the operation or maintenance of any Customer or End User provided communications equipment. The Company may install certain Customer or End User provided communications equipment upon installation of Service; unless otherwise agreed by the Company in writing, Company shall not thereafter be responsible for the operation or maintenance of such equipment. Where such equipment is connected to the facilities furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of facilities offered under this tariff and to the maintenance and operation of such facilities; subject to this responsibility the Company shall not be responsible for:
 - 1) The proper origination of signals by Customer provided equipment or for the quality, or defects in, such signals; or
 - 2) The reception of signals by Customer provided equipment.
- H. The Customer shall be responsible for the payment of service charges for visits by the Company's agents or employees to the Premises when the Service difficulty or trouble report results from the improper or inappropriate use of equipment or facilities by the Customer or End User.

SECTION 2. RULES AND REGULATIONS (Continued)

2.14 Service Connections (Continued)

- I. In the event Company places Company equipment on Customers' premises for the purpose of furnishing service under this tariff, unless otherwise stipulated, Company is solely responsible for operating and maintaining such equipment. In the event that Customer attempts to operate or maintain any such equipment without first obtaining Company's written approval, in addition to any other remedies of Company for a breach by Customer of Customer's obligations hereunder, Customer shall pay Company for any damage to Company's equipment caused or related to such unauthorized operation or maintenance of Company's equipment upon receipt by Customer of a Company invoice therefor. In no event shall Company be liable to Customer, End User or any other person for interruption of the Service or for any other loss, cost or damage caused or related to Customer's improper or inappropriate use of Company-provided equipment.
- J. Customer agrees to allow Company to remove all Company-provided equipment from Customer or End User's premises:
 - 1) upon termination, interruption or suspension of the Service in connection with which the equipment was used; and
 - 2) for repair, replacement or otherwise as Company may determine is necessary or desirable.
- K. At the time of such removal, such equipment shall be in the same condition as when delivered to Customer or installed in Customer or End User's premises, normal wear and tear only excepted. Customer shall reimburse Company for the unamortized cost of any such equipment in the event the foregoing conditions are not met.

SECTION 2. RULES AND REGULATIONS (Continued)

2.14 Service Connections (Continued)

- L. The Customer or End User is responsible for ensuring that Customer- or End User-provided equipment connected to Company equipment and facilities is compatible with such Company equipment and facilities. The magnitude and character of the voltages and currents impressed on Company-provided equipment and wiring by the connection, operation, or maintenance of such equipment and wiring shall be such as not to cause damage to the Company provided equipment and wiring or injury to the Company's employees or to other persons. Customer will submit to Company a complete manufacturer's specification sheet for each item of equipment that is not provided by the Company and which shall be attached to the Company's facilities. The Company shall approve the use of such item(s) of equipment unless such item is technically incompatible with Company's facilities. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense.
- M. Any special interface equipment necessary to achieve compatibility between the facilities and equipment of the Company used for furnishing Service, and the channels, facilities, or equipment of others shall be provided at the Customer's expense.

SECTION 2. RULES AND REGULATIONS (Continued)

2.15 Limitation of Service Equipment or Facilities

- A. Service is offered subject to the provisions of this tariff and the availability of the necessary facilities and/or equipment, and is limited to the ongoing availability and capacity of the Customer's facilities as well as the facilities the Company may require from other carriers to furnish Service. The Company may decline Service Orders to or from a location where, in the Company's sole discretion, the necessary facilities or equipment are not available. The Company may discontinue furnishing Service in accordance with the terms of this tariff.
- B. The Company reserves the right to discontinue or limit Service when necessitated by conditions beyond its control, or when Service is used in violation of provisions of this tariff or the law.
- C. The Company does not undertake to transmit messages, but offers the use of its Service when available, and, as more fully set forth elsewhere in this tariff, shall not be liable for errors in transmission or for failure to establish connections.
- D. The Company reserves the right to discontinue Service, limit Service, or to impose requirements as required to meet changing regulatory or statutory rules and standards, or when such rules and standards have an adverse material effect on the business or economic feasibility of providing Service, as determined by the Company in its reasonable judgment.
- E. The furnishing of Service under this tariff is subject to the availability on a continuing basis of all the necessary facilities and is limited to the capacity of the Company's facilities, as well as facilities the Company may obtain from other carriers to furnish Service from time to time as required at the sole discretion of the Company.

2.16 Prohibited Uses

- A. The Services of the Company shall not be used for any unlawful purpose or for any use as to which the Customer has not obtained all governmental approvals, authorizations, licenses, consents and permits, required to be obtained by the Customer with respect thereto.
- B. The Company may require applicants for Service who intend to use the Company's offerings for resale and/or for shared use to file a letter with the Company confirming that their use of the Company offerings complies with relevant laws and the FCC's regulations, policies, orders, and decisions.
- C. The Company may, without obtaining any further consent from the Customer, assign any rights, privileges, or obligations under this tariff. The Customer or End User may not assign, transfer in any manner the Service or any rights associated with the Service without the written consent of the Company.
- D. The Company may require a Customer to immediately shut down its transmission of signals if Company concludes, in its sole discretion, that such transmission is causing interference to others.

SECTION 2. RULES AND REGULATIONS (Continued)

2.18 Obligations of the Customer

The Customer (or the End User, as the case may be) shall be responsible for:

- A. The payment of all charges applicable to the Services.
- B. Damage or loss of the Company's facilities or equipment caused by the acts or omissions of the Customer or End User or the non-compliance by the Customer or End User with the provisions of this tariff; or by fire or theft or other casualty on the premises of the Customer or End User unless caused by the negligence or willful misconduct of the employees or agents of the Company;
- C. Providing as specified from time to time by the Company any needed personnel, equipment, space and power to operate Company facilities and equipment installed on the Premises, and providing the level of power, heating and air conditioning necessary to maintain the proper environment on such Premises;

SECTION 2. RULES AND REGULATIONS (Continued)

2.18 Obligations of the Customer (Continued)

- D. Obtaining, maintaining, and otherwise having full responsibility for rights of way necessary to install equipment to provide Service to the Customer or End User from the minimum point of entry or the property line of the land on which the structure wherein any termination point or origination point used by the Customer or End User is placed or located, whichever is applicable, through the point of entry into the structure, throughout the structure, to the location of the equipment space. Any and all costs associated with the obtaining and maintaining of the rights of way described herein, including the costs of altering the structure to permit installation of the Company-provided facilities, shall be borne entirely by the Customer. The Company may require the Customer to demonstrate its compliance with this section prior to accepting a Service Order.
- E. Providing a safe place to work and complying with all laws and regulations regarding the working conditions on the Premises. The Customer may be required to install and maintain Company facilities and equipment within a hazardous area if, in the Company's opinion, injury to Company employees or property might result from installation or maintenance by the Company.

SECTION 2. RULES AND REGULATIONS (Continued)

2.19 Liability of the Company

- A. The Services the Company furnishes are subject to the terms, conditions, and limitations specified in this tariff and to such particular terms, conditions, and limitations as set forth in the special regulations applicable to the particular Services and facilities furnished under this tariff.
- B. The liability of the Company for damages arising out of the furnishing of these Services, including but not limited to mistakes, omissions, interruptions, delays, tortious conduct or errors, or other defects, representations, or use of these Services or arising out of the failure to furnish the Service, whether caused by acts of commission or omission, shall be limited to the extension of allowances for interruption. The extension of such allowances for interruption shall be the sole remedy of the Customer or End User and the sole liability of the Company. The Company shall not be liable for any special, consequential, exemplary or punitive damages a Customer may suffer, whether or not caused by the intentional acts or omissions or negligence of the Company's employees or agents.

SECTION 2. RULES AND REGULATIONS (Continued)

2.20 Indemnification

The Customer and any End User, jointly and severally, shall indemnify, defend and hold the Company harmless from claims, loss, damage, expense (including attorney's fees and court costs), or liability (including liability for patent infringement) arising from: (1) any claims made against Company by any End User in connection with the delivery or consumption of Services; (2) combining with, or using in connection with facilities the Company furnished, facilities the Customer or End User furnished; or (3) use of facilities the Company furnished in a manner the Company did not contemplate and over which the Company exercises no control. In the event that any infringing use is enjoined, the Customer, at its option and expense, may obtain immediately a dismissal or stay of such injunction, obtain a license or other agreement so as to extinguish the claim of infringement, terminate the claimed infringing use, or modify such combination so as to avoid any such infringement. In addition and without limitation, the Customer and any End Users shall defend, on behalf of the Company and upon request by the Company, any suit brought or claim asserted against the Company for any such claims.

SECTION 2. RULES AND REGULATIONS (Continued)

2.21 Maintenance and Testing

- A. Upon suitable notice, the Company may make such tests, adjustments, and inspections as may be necessary to maintain the Company's facilities in satisfactory operating condition. No interruption allowance will be credited to the Customer for the period during which the Company makes such tests, adjustments, or inspections.
- B. Upon suitable notification to the Customer, and at a reasonable time, the Company may make such tests and inspections as may be necessary to determine that the Customer or End User is complying with the requirements set forth above for the installation, operation, and maintenance of Customer provided facilities, equipment, and wiring in the connection of Customer provided facilities and equipment to Company-owned facilities and equipment. If the protective requirements for Customer-provided equipment are not being complied with, the Company may take such action as it deems necessary to protect its facilities, equipment, and personnel. The Company will notify the Customer promptly if there is any need for further corrective action. Within ten (10) days of receiving this notice, the Customer must take such action. If the Customer fails to do this, the Company may take whatever additional action is deemed necessary, including the suspension of Service, to protect its facilities, equipment, and personnel from harm.

SECTION 2. RULES AND REGULATIONS (Continued)

2.22 Cancellation of Service/Termination Liability

If a Customer cancels a Service Order or terminates services before the completion of the term for any reason or breaches the terms in a service contract, Customer shall pay to Company termination liability charges, which are defined below. These charges shall become due and owing as of the effective date of the cancellation or termination. Customer's termination liability for cancellation of service shall be equal to:

- A. All unpaid non-recurring charges reasonably expended by the Company to establish service to the Customer, including any installation charges which may have been waived by the Company, provided Customer has been notified of the amount of the waived charges and of Customer's liability therefore on cancellation, plus;
- B. Any disconnection, early cancellation or termination charges reasonably incurred and paid to third parties by Company on behalf of Customer, plus;
- C. The difference between the total actual monthly recurring charges to Customer for the Service during the entire time the Service was provided to Customer and the total monthly recurring charges which Customer would have paid or which Customer would have been required to pay if the Service had been based on a month to month term using the Company's most recent tariff prices at the time of cancellation.
- D. Either party shall have the right to cancel services without liability if Company is prohibited from furnishing the Service or if any material rate or term contained herein is substantially changed by order of the Commission, the Federal Communications Commission, or highest court of competent jurisdiction to which the matter is appealed, or other local, state or federal government authority.

SECTION 6. SPECIAL ARRANGEMENTS

6.1 Special Construction

6.1.1 Basis for Charges

Where the Company furnishes a facility or service for which a rate or charge is not specified in the Company's tariffs, charges will be based on the costs incurred by the Company and may include: (1) non-recurring type charges; (2) recurring type charges; (3) termination liabilities; or (4) combinations thereof.

6.1.2 Basis for Cost Computation

The costs referred to in 6.1.1 preceding may include one or more of the following items to the extent they are applicable:

- A. cost installed of the facilities to be provided including estimated costs for the rearrangements of existing facilities. Cost installed includes:
 - 1. equipment and materials provided or used,
 - 2. engineering, labor and supervision,
 - 3. transportation, and
 - 4. rights of way;
- B. cost of maintenance;
- C. depreciation on the estimated cost installed of any facilities provided, based on the anticipated useful service life of the facilities with an appropriate allowance for the estimated net salvage;
- D. administration, taxes and uncollectible revenue on the basis of reasonable average costs for these items;

- F. tariff preparation, processing and related fees;
- G. any other identifiable costs related to the facilities provided; and
- H. an amount for return and contingencies.

6.1.3 Termination Liability

To the extent that there is no other requirement for use by the Company, a termination liability may apply for facilities specially constructed at the request of the customer.

- A. The termination liability period is the estimated service life of the facilities provided.
- B. The amount of the maximum termination liability is equal to the estimated amounts for:
 - 1. Cost installed of the facilities provided including estimated costs for rearrangements of existing facilities and/or construction of new facilities as appropriate, less net salvage. Cost installed includes the cost of:
