Case No. TC-2006-0127

ORDER SCHEDULING CONFERENCE

Issue Date: January 19, 2006

Effective Date: January 19, 2006

The above-captioned matters concern the compensation for termination of wireless traffic to certain landline telecommunications carriers. Both matters have the same parties, and both have the same substantive issues presented. Consolidation of the cases has been requested and opposed and is still pending.

A conference on this matter is necessary to clarify which issues among those initially pled are still in controversy and to determine whether the parties can reach a settlement of remaining issues, in light of the recent Missouri Supreme Court decision on some of these issues.

IT IS THEREFORE ORDERED:

1. That a conference will be held on February 1, 2006, at 10 a.m., at the Commission's office at the Governor Office Building, Room 305, 200 Madison Street, Jefferson City, Missouri. This building meets accessibility standards required by the Americans with Disabilities Act. If you need additional accommodations to participate in this conference, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 before the conference. The parties wishing to participate by telephone may do so by dialing 573-522-6043 at the time set for the conference.

2. That this order shall become effective on January 19, 2006.
