STAFF REQUEST FOR EXTENSION

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation, states as follows:

1. On April 20, 2018, PowerComm Broadband, LLC, ("Company") applied for authorization to provide telecommunications services. The Commission directed Staff to file a Recommendation no later than May 9, 2018.

2. The Application is deficient because it does not meet the requirements of Commission Rule 4 CSR 240-28.030 in that it fails to include the designation "d/b/a New Dawn Fiber."

3. Additionally, there is insufficient information for Staff to conclude that the Company possesses sufficient financial, technical and managerial resources to be certificated.

4. In an attempt to resolve this matter in a timely manner, Staff is working with the Company (1) with respect to an amended Application and (2) additional information. The Company has indicated to Staff that it will timely file an amended application that complies with the requirements of Commission Rule 4 CSR 240-28.030.

WHEREFORE, Staff prays that the Commission will grant it a 30-day extension of time in which to file its recommendation based on the amended pleading the

Company has stated it intends to file; and grant such other and further relief as is just in the circumstances.

Respectfully submitted,

/s/ Whitney Payne
