for change of electric supplier.)

Case No. EC2005-0177

APPLICATION FOR CHANGE OF ELECTRIC SERVICE PROVIDER

1. Applicant's address is: 109 County Hwy 468

Steele, MO 63877

2. The name of Applicant's current electric service provider is:

Ameren UE

3. Applicant requests the Missouri Public Service Commission to order a change of electric supplier to the address indicated above.

4. Applicant requested the Commission to order a change of electric supplier from Ameren UE

(Current)

to Pemiscot-Dunklin Electric Cooperative, Inc.

(Requested)

5. Applicant requests the Missouri Public Service Commission to order a change of electric provider for the following reasons.* 1. a more dependable power

supply 2. customer service problems handled by live,

local people 3. shorter wire length as pdec's lines

are much closer to my home 4. frequent outages during

2004 5. a brownout lasting over 3 hours on Oct 24, 2004

which destroyed my television.

6. Applicant has taken the following steps in an attempt to work out electric service problems with the electric service provider: 1. Requested a claim form and was told that AmerenUE was not liable for damage to my home electronics. 2. Reported power outages would take 1.5 to 2 hours before service would be restored. 3. After the citizens of Steele were able to get AmerenUE, finally, to come to a meeting, they replaced an antiquated breaker that was the cause of most of the problems.

WHEREFORE, Applicant requests the Missouri Public Service Commission to issue an Order which changes the current electric service provider.

*If reason for change is poor service, outages, low voltage, etc., applicant should submit a record of service problems covering at least 90 days, including dates and times of problems to the extent possible. Applicant should also attempt to determine reasons for any service problems. For instance, if electric service was out or you are experiencing blinking lights, you should contact the supplier of electric service to determine the problem, and include this information with the application. (If the reasons from the supplier was a storm, car hitting pole, trees in line, conductor fell down, or whatever the supplier states for the problem, this should be noted.)
