OF THE STATE OF MISSOURI

Application of Globetel, Inc. for Approval of)
an Interconnection Agreement under the)
the Telecommunications Act of 1996) **Case No. TK-2007-0351**

NOTICE OF DEFICIENCY AND ORDER CLOSING CASE

Issue Date: March 26, 2007

Effective Date: March 26, 2007

On March 23, 2007, Gregory Miller, purportedly on behalf of either American CLEC, and/or Globetel, Inc., purported to file an interconnection agreement with the Commission. Mr. Miller does not claim to be an attorney.

Commission Rule 4 CSR 240-3.513 lists the standards for applicants to meet to have an interconnection agreement approved at the Commission. That rule, in turn, refers back to Commission Rules 4 CSR 240-2.040, .060, .080.

The above-referenced application is wholly insufficient under these rules, and fails to trigger the Commission's ninety-day period to rule upon the application. Among other deficiencies, the applicant is not represented by an attorney licensed to practice law in Missouri. The Commission will close this case and, upon receiving a compliant application, will open a new case.

IT IS ORDERED THAT:

1. The above-captioned case is closed due its failure to comply with the above-referenced Commission rules.

2. This order shall become effective on March 26, 2007.
