## ORDER ESTABLISHING TIME FOR RESPONSE AND EXTENDING DEADLINE FOR THE STAFF OF THE MISSOURI PUBLIC SERVICE COMMISSION TO FILE A RECOMMENDATION

Issue Date: September 17, 2007 Effective Date: September 17, 2007

On August 20, 2007, <sup>1</sup> Southwestern Bell Telephone Company, d/b/a AT&T Missouri ("AT&T Missouri"), filed an application with the Commission for approval of two amendments to an interconnection agreement it has with Sage Telecom, Inc. ("Sage"). On August 21, the Commission added Sage as a party, issued notice, set an intervention deadline and directed its Staff to file a recommendation no later than September 20. Also on August 21, AT&T Missouri filed an Errata to its application substituting a corrected version of its Exhibit A to the application containing a pricing schedule. No parties sought intervention in this matter.

On September 14, AT&T Missouri filed an amended application substituting a new version of its Exhibit A reflecting two corrections to the language of the Exhibit. <sup>2</sup> The corrections relate to specific paragraph numbers referenced in the Exhibit. It would appear

that the amendments to Exhibit A of the application merely correct prefatory references to the sections affected by the amendments referenced in the Exhibit and do not substantively alter the original application. AT&T Missouri represents that Sage approves and supports the filing of the amended application.

In order to allow time for any proper party to object to the amended application, and in order that the Commission's Staff has adequate time to complete its review of the amended application, the Commission will establish a deadline for objections and extend the deadline for Staff's recommendation. In so doing, the Commission is mindful of the time requirements imposed by Section 252(e)(4) of the Telecommunications Act of 1996, which requires action on this application by this Commission no later than November 18.

## IT IS ORDERED THAT:

- 1. Any proper party wishing to object to Southwestern Bell Telephone Company, d/b/a AT&T Missouri's "Amended Application for Approval of Amendments to Interconnection Agreement between AT&T Missouri and Sage Telecom, Inc.," shall file such objections no later than September 24, 2007.
- 2. The deadline of September 20, 2007, set for the Staff of the Missouri Public Service Commission to file its recommendation in this matter, is canceled.
- 3. The Staff of the Missouri Public Service Commission shall file a memorandum advising either approval or rejection of the amendments and giving the reasons therefor no later than October 1, 2007.
