The statutory standard of review under Section 252(e) of the Act states:

- (e) Approval by State Commission

CenturyLink seeks the Commission's approval of the Agreement, consistent with the provisions of the Federal Act. CenturyLink and Spectrotel believe that the implementation of this Agreement complies fully with Section 252(e) of the Federal Act because the Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. The Agreement promotes diversity in providers, provides interconnectivity, and increases customer choices for telecommunications services.

CenturyLink and Spectrotel respectfully request that the Commission grant approval of the Agreement, without change, suspension or other delay in its implementation.
