Re: Tari Christ et al. v. Southwestern Bell Telephone Company, L.P.,
d/b/a Southwestern Bell Telephone Company
Complaint filed August 27, 2004

Dear Judge Roberts:

The staff of the Data Center brought to my attention that one of the complaining parties in the complaint referred to above changed his business name. Specifically, Bob Lindeman, who was certificated and doing business as Lindeman Communications, acquired Commission approval to change the name of his firm to Lind-Comm, LLC. I was advised that the complaint will not be further processed until the proper name of this complainant is reflected in the complaint.

I am enclosing an original and five copies of an amendment by interlineation to the complaint to make this correction. I elected to use interlineation to avoid the refileing of the entire complaint. The amendment alters the caption of the complaint and paragraph 13. An exhibit is also added and it is labeled Exhibit 18.

I am also enclosing corrected pages 1 and 4 of the complaint. They reflect Mr. Lindeman's change of name and the addition of the exhibit.

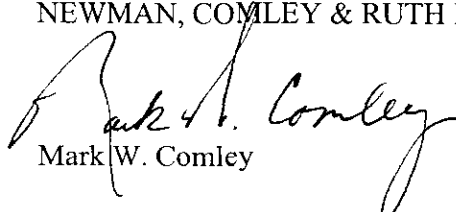

It is also my understanding that the Data Center staff have already confirmed that each named complainant is a certificated payphone provider in the state of Missouri. I hope that with this filing the processing of the complaint can continue.

If there are any questions about this filing, please do not hesitate to contact me. Thank you.

Very truly yours,

NEWMAN, COMLEY & RUTH P.C.
