File No. TA-2018-0300

STAFF REQUEST FOR EXTENSION

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation, states as follows:

1. On April 20, 2018, PowerComm Broadband, LLC, ("Company") applied for authorization to provide telecommunications services. The Commission directed Staff to file a Recommendation no later than May 9, 2018. Staff asked for an extension of this date to June 8, 2018, following discovery of deficiencies in the original *Application* filed by the Company.

2. In discussions with Staff, the Company indicated it would file an amended application shortly following Staff's original *Request for Extension*. Due to certain unforeseen circumstances, the Company was unable to file the *Amended Application* until the afternoon of June 6, 2018.

3. Staff has already begun review of the *Amended Application* and is working with the Company to obtain all of the necessary information to provide a recommendation. Due to the short length of time between the filing of the *Amended Application* and the due date of Staff's recommendation, Staff now asks for an extension to June 15, 2018, to file its recommendation.

WHEREFORE, Staff prays that the Commission will grant it an 8-day extension of time to June 15, 2018, in which to file its recommendation based on the amended pleading the Company filed June 6, 2018; and grant such other and further relief as is just in the circumstances.

Respectfully submitted,

/s/ Whitney Payne
