Case No. TA-99-395

ORDER OF CORRECTION NUNC PRO TUNC

Issue Date: June 29, 2009

Effective Date: June 29, 2009

In 1999, DSLnet Communications, LLC, applied for a certificate of service authority to provide interexchange and local exchange telecommunications services. It has come to the Commission's attention that the Commission's June 7, 1999 order granting the company the requested service authority misidentified the company as DSL Communications, LLC. Nevertheless, DSLnet Communications, LLC, has operated and has issued tariffs under its correct name.

So that the Commission's records will reflect the correct name of the company and to avoid confusion, the Commission will correct the 1999 order nunc pro tunc.

THE COMMISSION ORDERS THAT:

1. All references to the company in the Order Approving Interexchange and Non-Switched Local Exchange Certificates of Service Authority and Order Approving Tariff, issued on June 7, 1999, are corrected, nunc pro tunc, to DSLnet Communications, LLC.
2. This order shall become effective immediately upon issuance.

3. This file shall be closed on June 30, 2009.
