ORDER DIRECTING NOTICE AND MAKING NORTHWEST
MISSOURI CELLULAR LIMITED PARTNERSHIP A PARTY

Issue Date: March 27, 2007

Effective Date: March 27, 2007

This order provides notice of this application to interested parties and joins the other party to the interconnection agreement, Northwest Missouri Cellular Limited Partnership, as a party to this proceeding.

On March 22, 2007, Rock Port Telephone Company, filed an application with the Commission for approval of an interconnection agreement with Northwest Missouri Cellular under the provisions of the federal Telecommunications Act of 1996. Rock Port states that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is not discriminatory to nonparty carriers and is consistent with the public interest. Rock Port requests expeditious approval of the agreement.

Although Northwest Missouri Cellular is a party to the agreement, it did not join in the application. Because Northwest Missouri Cellular is a necessary party to a full and fair adjudication of this matter, the Commission will add it as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a

telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.¹ Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously. The Commission finds that proper persons shall be allowed 20 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

IT IS ORDERED THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Northwest Missouri Cellular Limited Partnership is made a party to this case.
3. Any party wishing to request a hearing shall do so by filing a pleading no later than April 16, 2007, with:

Colleen M. Dale, Secretary
Missouri Public Service Commission

5. This order shall become effective on March 27, 2007.
