

## WHY CHARITON VALLEY?

Chariton Valley is deeply rooted in the communities we serve. We began serving our customers over 65 years ago with the best available technology and continue to do so. Chariton Valley and its employees take pride in bringing people, businesses and organizations together, after all, it's what being a part of the community is all about. We participate in many local events and provide financial, strategic and volunteer support for civic, educational and business initiatives.
