RATES FOR STEAM SERVICE

VEOLIA ENERGY KANSAS CITY, INC.
RATES FOR STEAM SERVICE
STANDARD COMMERCIAL SERVICE ("SCS") SCHEDULE

Veolia Energy Kansas City, Inc. (the "Company") shall provide steam service at the rates set forth below under the provisions of customer service agreements which shall include the provisions of the Company's general rules and regulations in effect and on file and the Commission's applicable general orders.

I. AVAILABILITY:

All customers using 5,000 mlbs, or less, of total annual steam usage. This rate is also applicable to those customers otherwise qualifying for the LCS rate schedule whose demand the Company determines cannot be reasonably or accurately measured using a demand meter. The annual steam usage of existing SCS customers shall not exceed 5,000 mlbs in at least one of the two immediately preceding twelve month periods ending March 31st.

II. STEAM CHARGE:

In addition to any Meter Charge, the Company shall bill Customer a monthly Steam Charge (in thousand pounds of steam or "mlbs") based on customer's actual metered usage in the prior month by reference to the rate table below:

- For the first 5 mlbs per month; (\$8.45 + \$13.97) X mlbs
- For the next 20 mlbs per month; (\$8.45 + \$12.74) X mlbs
- For the next 75 mlbs per month; (\$8.45 + \$10.05) X mlbs
- For all mlbs over 100 per month; (\$8.45 + \$8.39) X mlbs

III. METER CHARGE.

In addition to any Steam charge, and irrespective of whether there is steam usage by Customer in a given month, there shall be a meter charge of \$75 per month for the first meter and \$50 per month for each additional meter.

RATES FOR STEAM SERVICE

VEOLIA ENERGY KANSAS CITY, INC.
RATES FOR STEAM SERVICE
STANDARD COMMERCIAL SERVICE ("SCS") SCHEDULE

The Company generally will install one meter to measure service to a customer's premises. In certain circumstances, more than one meter may be necessary in order properly register steam usage over a Customer's entire load range. In those instances, the Company will install an additional meter(s).

IV. TAX ADJUSTMENT.

There shall be added to the monthly bill of the customer, as separate items, a surcharge equal to the proportionate part of any license, occupation or other similar fee or tax applicable to steam service by the Company to the customer, which fee or tax is imposed upon the Company by taxing authorities on the basis of the gross receipts, net receipts or revenues from the steam sales by the Company.

V. GENERAL RULES AND REGULATIONS.

All customers shall be subject to the General Rules and Regulations which are filed separately.

RATES FOR STEAM SERVICE

**VEOLIA ENERGY KANSAS CITY, INC.
RATES FOR STEAM SERVICE
LARGE COMMERCIAL SERVICE ("LCS") SCHEDULE**

Veolia Energy Kansas City, Inc. (the "Company") shall provide steam service at the rates set forth below under the provisions of customer service agreements which shall include the provisions of the Company's general rules and regulations in effect and on file and the Commission's applicable general orders.

I. AVAILABILITY

All customers using greater than 5000 mlbs total annual steam usage, provided that this rate is not available for those customers with greater than 5000 mlbs annual steam usage whose demand the Company determines cannot reasonably or accurately be measured with a demand meter. The annual steam usage of existing LCS customers shall exceed 5,000 mlbs in at least one of the two immediately preceding twelve month periods ending March 31st.

II. DEMAND CHARGE.

A. In addition to any Usage Charge and Meter Charge, all LCS customers who take steam for substantially 100% of their space heating needs and optionally for their air conditioning needs, shall pay a demand charge, as determined below.

B. The annual demand charge shall be based on the demand charge rates in Section C below and the Billing Demand as defined in Section D below. The annual demand charges, as listed in section C, shall be billed in twelve equal monthly installments.

C. ANNUAL DEMAND CHARGE SCHEDULE (billed in twelve equal monthly installments in thousand pounds of steam (or "mlbs") per hour):

The annual demand charge will be established by the higher of the demand charges resulting from the following rates applied to the billing demand for the winter months of November through March specified in Section D below.

First 3 mlbs/hour of Billing Demand; \$13,693.22 per mlb/hour up to \$41,079.66.

The next 2 mlbs/hour up to a total of 5 mlbs/hour of Billing Demand; \$11,654.13 per mlb/hour.

The next 3 mlbs/hour up to a total of 8 mlbs/hour of Billing Demand, \$11,362.97 per mlb/hour.

For all pounds/hour over 8 mlbs/hour of Billing Demand; \$10,955.54 per mlb/hour.

Or, the billing demand established during the non-winter months of April through October in the immediately preceding calendar year, according to the following schedule:

First 3 mlbs/hour of Billing Demand; \$1,369.32 per mlb/hour.

Next 2 mlbs/hour of Billing Demand; \$1,165.41 per mlb/hour.

The next 3 mlbs/hour of Billing Demand \$1,136.30 per mlb/hour.

For all pounds/hour over 8 mlbs/hour of Billing Demand; \$1,095.55 per mlb/hour.

RATES FOR STEAM SERVICE

LARGE COMMERCIAL SERVICE ("LCS") SCHEDULE

D. Billing Demand: For purposes of calculating Demand Charges, the term "Billing Demand" for existing Customers means the Customer's highest hourly peak consumption of steam in any 60-minute interval in the two immediately preceding, completed December 1-March 31 (winter peaking) or April 1-November 30 (summer peaking) time frames.

(i) Demand charges will be recalculated each year in April and apply to all billings for services rendered after March 31 of each year.

(ii) For new Customers not receiving steam service from Veolia as of the effective date of these tariffs, the initial year's Billing Demand will be determined by mutual agreement between the Company and the Customer.

(iii) For existing customers that have made significant modifications to their buildings that would lower their projected usage, the Company may, at its sole discretion, use good engineering practices to estimate the impact on Billing Demand and reset the Billing Demand to reflect such changes. For subsequent years, Billing Demand will be set as per paragraph II.D.(i).

III. USAGE CHARGE

A. In addition to any Demand Charge and Meter Charge The Company shall charge Customer a Usage charge of \$8.45 per mlb for each one thousand pounds (mlb) of steam consumed.

B. The Usage Charge shall be computed and billed monthly based on the consumption of steam by the customer, as measured by the Company's meters, or estimated as set forth in the general rules and regulations.

IV. METER CHARGE.

In addition to any Demand Charge and Usage Charge, and irrespective of whether there is steam usage by Customer in a given month, there shall be a meter charge of \$100 per month for the first meter and \$50 per month for each additional meter required. The Company generally will install one meter to measure service to a customer's premises. In certain circumstances, more than one meter may be necessary in order to properly register

RATES FOR STEAM SERVICE

INTERRUPTIBLE HEATING SERVICE (IHS) SCHEDULE

Veolia Energy Kansas City, Inc. (the "Company") shall provide steam service at the rates set forth below under the provisions of customer service agreements which shall include the provisions of the Company's general rules and regulations in effect and on file and the Commission's applicable general orders.

I. AVAILABILITY

This rate schedule is available to any Customer meeting the eligibility requirements for Interruptible Heating Service under the following conditions:

- (a) Prior to the effective date of this rate schedule, a qualifying Customer must be receiving service from Company under either the Company's Interruptible Heating Service (IHS) rate schedule at the Premises in question. Customer also must have on Customer's Premises (or, if approved by the Company, be connected, via permanent piping, to) a permanent, operable steam or hot water space heating source located on-site (or, in the case of company-approved connection, located in an adjacent building) and sized to provide for the Customer's total space heating requirement.
- (b) The Customer agrees to use steam delivered by Veolia to satisfy all the Customer's space heating requirements otherwise supplied by the on-site space heating source.
- (c) Notwithstanding any other provisions hereof, Veolia may decline to enter into any steam service agreement for Interruptible Heating Steam Service when, in Veolia's sole judgment, Veolia has insufficient resources to carry out its obligations under the agreement.
- (d) Customers annual steam consumption shall be less than 100,000 mlbs.
- (e) As of the effective date of this rate schedule at the request of the Company, a Customer desiring service under this rate schedule must certify to Veolia's satisfaction (cont'd on next page)

that the on-site space heating source (referred to in section I (a) of this schedule above) is capable of providing 100% of the Customer's space heating requirement, independent of Veolia service.

- (f) At Veolia's sole discretion, but in general only when necessary to assist in Veolia's steam system capacity requirements by reduction of demand, Veolia may temporarily interrupt up to 100% of steam service to the Customer served under this rate schedule. Such interruption will be imposed only after a minimum twelve (12) hour advance notice to Customer. Interruptions shall not exceed forty-eight (48) hours in duration. No customer shall be interrupted under this schedule more than six times in any calendar year.
- (g) At Veolia's sole discretion, Veolia may periodically confirm compliance with the terms of this rate schedule by requesting demonstration of Customer's ability to supply 100% of space heating requirements from its installed permanent space heating source.
- (h) In the event any Customer taking service under this rate schedule can no longer meet the eligibility requirements set forth above, Veolia will provide written notice to the Customer informing the Customer of such ineligibility. Customer shall have thirty (30) days from such notice to correct such ineligibility and apply to re-qualify for the rate. If the Customer elects not to correct the deficiency, delivery of Veolia steam service shall continue, albeit pursuant to the Large Commercial (LCS) or Standard Commercial (SCS) rate schedule terms, as applicable, effective upon the expiration of the 30-day period. Customer shall remain on such SCS or LCS tariff (as applicable) from that point onward, or until the Customer chooses a means of space heating other than steam service from Veolia.

RATES FOR STEAM SERVICE

INTERRUPTIBLE HEATING SERVICE (IHS) SCHEDULE

- (i) Availability of this rate schedule is restricted to those Customers that are in full compliance with the provisions set forth above. Service under this rate schedule shall only be available to such customers who continuously qualify for and remain hereon from the effective date of this rate schedule.
- (j) Former AHS Customers who do not qualify for or choose not to receive service under this schedule will be served under the LCS Schedule or SCS Schedule, as applicable.

II. APPLICABILITY AND CHARACTER OF SERVICE

- (a) This rate schedule shall apply to all steam service supplied by Veolia pursuant to an executed Steam Service Agreement under this rate schedule.
- (b) Customers may use their on-site heating source during any period of steam service interruption, consistent with the availability provisions set forth above.

III. RATE

- (a) The Customer shall pay for all steam delivered under an executed Steam Service Agreement in accordance with this rate schedule (IHS). Any renewals of this agreement shall be at this or any superseding rate schedule (s) applicable to this service as filed with the Missouri Public Service Commission and as may be lawfully revised from time- to-time.

IV. MONTHLY BILL

The bill for steam delivered each monthly billing period under this rate schedule shall be the sum of the Meter Charge, Usage Charge, one-twelfth of the Annual Capacity Charge, and applicable taxes and fees as follows:

- (a) Irrespective of whether there is steam usage by Customer in a given month, there shall be a meter charge of \$100 per month for the first meter and \$50 per month for each additional meter. The Company generally will install one meter to measure service to a customer's premises. In certain circumstances, more than one meter may be necessary in order to properly register steam usage over a Customer's entire load range. In those instances, the Company will install an additional meter(s).
- (b) The Company shall charge Customer a Usage charge of \$8.45 per mlb for each thousand pounds (mlb) of steam consumed.
- (c) Annual Capacity Charge
 - 1. Heating Period is defined as a period of steam service from December 1 through March 31.
 - 2. Peak Usage is the Customer's highest hourly peak consumption of steam in any sixty minute interval during the immediately preceding, completed Heating Period.
 - 3. Capacity Charges will be recalculated each year in April and apply to all billings for services rendered after March 31.
