Inc.'s Application for Extension to File Annual Report)

Case No. SE-2007-0353

NOTICE CLOSING CASE

Issue Date: August 24, 2007

On March 26, 2007, Central Rivers Wastewater Utility, Inc. (Central Rivers), filed a motion requesting an extension of time to file its annual report. On April 10, the Commission granted that motion, extending the deadline until July 15. Central Rivers filed its 2006 Annual Report on July 18, three days out-of-time, without seeking an additional extension.

Thirty-seven days have passed since Central Rivers filed its Annual Report, and no party has objected to the filing of that report. In the event the Commission's Staff wishes to seek penalties against Central Rivers for its failure to meet the extension deadline, Staff may file a formal complaint. No further action by the Commission is required and this case shall be closed.
