File No. SE-2009-0371

ORDER DIRECTING STAFF TO RESPOND

Issue Date: August 20, 2009

Effective Date: August 20, 2009

On July 21, 2009, Central Rivers Wastewater Utility, Inc., filed an application requesting an extension until July 31, 2009, to file its 2008 annual report. Staff filed a recommendation on August 12, advising the Commission that it does not oppose an extension until July 31. However, Staff also stated that as of August 12, Central Rivers had not yet filed its annual report, and thus had already missed the extended deadline it requested. Central Rivers subsequently filed its annual report on August 17.

Rather than approve Central Rivers' requested extension to July 31, when it is apparent the company already missed that deadline, the Commission will direct Staff to indicate whether it has any objection to extending the deadline to August 17, to match the date Central Rivers actually filed its 2008 annual report.

THE COMMISSION ORDERS THAT:

1. No later than August 27, 2009, Staff shall file a pleading indicating whether it objects to extending the deadline for Central Rivers Wastewater Utility, Inc. to file its 2008 annual report to August 17, 2009.

2. This order shall become effective immediately upon issuance.
