MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through counsel, and submits its *Motion for Extension of Time* as follows:

1. On January 13, 2009, iNetworks Group, Inc. (“iNetworks”) applied for certificates of service authority to provide resold basic local exchange telecommunications and interexchange telecommunications within the state of Missouri. iNetworks also seeks competitive classification. In conjunction with its application, iNetworks also filed tariffs governing the provision of the proposed telecommunications services. Those tariffs bear the effective date of February 22, 2009.

2. No applications for intervention were filed. Staff was directed to file a recommendation regarding iNetworks Group, Inc.’s Application no later than February 10, 2009.

3. As of February 9, 2009, iNetworks’ application remains deficient due to missing financial information required pursuant to 4 CSR 240-3.510. iNetworks has failed to provide this information as of the time of this filing.

4. Staff will need sufficient time to review iNetworks’ financial information in order to make a proper recommendation to the Commission to accept or deny iNetworks’ application. Therefore, Staff cannot make a recommendation by February 10, 2009 because of iNetworks’ deficient application.

WHEREFORE, because the effective tariff date is February 22, 2009 and Staff needs sufficient time to review iNetwork's missing financial information required by 4 CSR 240-3.510, Staff moves that the Commission grant an extension of Staff's recommendation deadline until February 17, 2009.

Respectfully submitted,

/s/ Sam D. Ritchie
