According to 4 CSR 240-2.060 (4)(B), Applications for variances or waivers from commission rules and tariff provisions, as well as those statutory provisions which may be waived, shall contain the reasons for the proposed variance or waiver and a complete justification setting out the good cause for granting the waiver. Comcast Business Communications, LLC requests the waiver because the costs and effort associated with providing the notice outweigh notifying customers of the very minor changes from Comcast Business Communications, Inc. to Comcast Business Communications, LLC.

In Staff's opinion, this is a reasonable request. Staff recommends the Commission grant the waiver.

- ☒ The Company is not delinquent in filing an annual report and paying the PSC assessment.
- ☐ The Company is delinquent. Staff recommends the Commission grant the requested relief/action on the condition the applicant corrects the delinquency. The applicant should be instructed to make the appropriate filing in this case after it has corrected the delinquency.
- (☐ No annual report ☐ Unpaid PSC assessment. Amount owed:)
