STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On June 20, 2013, Windstream Missouri, Inc. (“Windstream”) filed an application with the Commission for approval of a negotiated resale agreement with Metropolitan Telecommunications of Missouri, Inc., d/b/a MetTel (“MetTel”) under the provisions of the federal Telecommunications Act of 1996. Windstream states that the agreement complies with Section 252(e) of the Act in that it is consistent with public interest, convenience and necessity, and not discriminatory to nonparty carriers.

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff herein states that the amendment to the interconnection agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the Amendment was filed with the Application. Windstream is

certificated as an incumbent local telecommunications company; MetTel is certificated as a competitive local and interexchange telecommunications company.

WHEREFORE, Staff recommends the Commission approve the Application and direct the parties to submit to the Commission any subsequent modifications or amendments to the Interconnection Agreement.

Respectfully submitted,
