**MOTION FOR EXTENSION OF TIME AND SUBMISSION OF AMENDED
SIGNATURE PAGE TO APPLICATION**

COMES NOW Tri-M Communications, Inc. d/b/a Globalinx ("Applicant"), by and through counsel of record, and requests an extension of time to correct its application in this matter. Applicant further submits an amended signature page to the application, as originally filed on February 7, 2013, to correct the deficiency identified in the Commission's *Notice of Deficiency* also issued February 7, 2013.

Undersigned counsel was retained by Applicant following issuance of the *Notice of Deficiency* and filed his Entry of Appearance on March 6, 2013. However, the *Notice of Deficiency* had granted Applicant only until February 28, 2013 to correct the deficiency, which was the filing of the original application by a non-Missouri attorney.

Undersigned counsel apologizes to the Commission for not being able to enter his appearance until after the February 28, 2013 deadline due to a family medical emergency. Since the attached, amended signature page to the application is designed to cure the deficiency in the original application, Applicant believes that granting an extension of time for curing the deficiency, and

acceptance of the attached, amended signature page, will promote efficiency in the Commission's process and resolve this matter satisfactorily.

WHEREFORE, Tri-M Communications, Inc. d/b/a Globalinx hereby requests that the Missouri Public Service Commission: (1) grant an extension of time, beyond February 28, 2013, to cure the deficiency in its original application in this matter; and (2) accept the amended signature page to the application submitted herewith in lieu of the signature page originally filed.

Respectfully submitted,

/s/ William D. Steinmeier
