**ORDER DIRECTING NOTICE AND MAKING**  
**IOWA WIRELESS SERVICES, LLC A PARTY**

Issue Date: November 22, 2006

Effective Date: November 22, 2006

This order provides notice of this application to interested parties and joins the other party to the interconnection agreement and amendment to the interconnection agreement, Iowa Wireless Services, LLC, as a party to this proceeding.

On November 17, 2006, Southwestern Bell Telephone, L.P., d/b/a AT&T Missouri filed an application with the Commission for approval of an interconnection agreement and an amendment to the interconnection agreement with Iowa Wireless under the provisions of the federal Telecommunications Act of 1996. AT&T Missouri states that the amendment complies with Section 252 of the Act in that it is not discriminatory to nonparty carriers and is consistent with the public interest. AT&T Missouri requests the Commission approve the interconnection agreement and amendment, without change, suspension or other delay in its implementation.

Although Iowa Wireless is a party to the agreement, it did not join in the application. Because Iowa Wireless is a necessary party to a full and fair adjudication of this matter, the Commission will add it as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.<sup>1</sup> Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously. The Commission finds that proper persons shall be allowed 20 days from the issuance of this order to file a motion for rehearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

**IT IS ORDERED THAT:**

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Iowa Wireless Services, LLC is made a party to this case.
3. Any party wishing to request a hearing shall do so by filing a pleading no later than December 12, 2006, with:

Colleen M. Dale, Secretary  
Missouri Public Service Commission  
P.O. Box 360
