**STAFF RECOMMENDATION**

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation states:

1. On March 30, 2007, Granby Telephone Company filed an application with the Commission for approval of an interconnection agreement with Verizon Wireless under the provisions of the federal Telecommunications Act of 1996.

2. Section 252(e) of the federal Telecommunications Act of 1996 provides that a State commission may only reject a negotiated agreement if it finds that the agreement discriminates against a telecommunications carrier not a party to the agreement or if the implementation of the agreement is not consistent with the public interest, convenience, and necessity.  
47 U.S.C. § 252(e)

3. In the attached Memorandum, which is labeled Appendix A, the Staff states that the interconnection agreement does not discriminate against telecommunications carriers not a party to the agreement and is not against the public interest, convenience or necessity.

WHEREFORE, the Staff recommends that the Missouri Public Service Commission approve the interconnection agreement pursuant to the Act, and direct the parties to submit any modifications or amendments.

Respectfully submitted,
