

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Discontinuance of the)
Registration of Metro Fibernet, LLC d/b/a MetroNet) **File No. TD-2023-0XXX**

MOTION TO CANCEL REGISTRATION

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and moves for the Missouri Public Service Commission (Commission) to cancel the registration to provide basic local exchange and interexchange telecommunications services and interconnected voice over internet protocol (VoIP) services of Metro Fibernet, LLC d/b/a MetroNet, (Company) and states:

1. The Commission previously granted a registration to the Company to provide basic local and interexchange telecommunications service authority in TA-2022-0046 on August 31, 2021; and interconnected voice over internet protocol service authority in Case No. DA-2022-0045 on September 10, 2021

2. The Company failed to submit an annual report to the Missouri Commission for calendar year 2021. The requirement of a telecommunications company to file an annual report is identified in Sections 392.210 and 392.390, RSMo, and an IVoIP company in 392.550.3(7), RSMo, and 20 CSR 4240-28.012(1)(A). The Company has not responded to Staff's contacts to resolve the deficiency.

3. The Company failed to file its Statement of Revenue report for fiscal year 2023.¹ The requirement to file a Statement of Revenue report is identified in 20 CSR 4240-28.012(1)(B). The Company has not responded to Staff's contacts to resolve this deficiency.

¹ A company's assessment amount is determined by a factor identified on the commission's website and applied to a company's Missouri jurisdictional revenue identified on its Statement of Revenue report. If a company fails to file a Statement of Revenue report then the company's assessment is calculated using a Commission approved formula.

4. The Commission has the authority to cancel a telecommunications certificate, or registration, pursuant to Section 392.410.5 RSMo 2000, which provides “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

5. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

WHEREFORE, Staff respectfully recommends the Commission cancel the certificates and registration of service authority to provide basic local and interexchange telecommunications service authority and interconnected voice over internet protocol service of Metronet Fibernet, LLC d/b/a MetroNet, and grant such other and further relief as is just in the circumstances.

Respectfully submitted,

/s/ Whitney Scurlock
