October 29, 2004

Mr. Dale Hardy Roberts
Secretary/Chief Regulatory Law Judge
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65102-0360

Dear Mr. Roberts:

The accompanying tariff sheets, issued by Union Electric Company d/b/a AmerenUE ("AmerenUE" or the Company"), are being transmitted to you for filing as a revision of Schedule No. 5, *Schedule of Rates for Electric Service*:

Filed

3rd Revised Sheet No. 204
3rd Revised Sheet No. 205

Canceling

2nd Revised Sheet No. 204
2nd Revised Sheet No. 205

These sheets are issued October 29, 2004 to become effective on and after December 1, 2004.

These revised sheets include minor changes to the Missouri Commercial Facility Energy Audit Program. The program is designed to encourage more effective utilization of electric energy through energy efficiency improvements in the building shell or through the replacement of inefficient electrical equipment with efficient electrical equipment, by providing a rebate for a portion of the costs of an energy audit and related upgrades that improve efficient use of electricity. The Company's participation in such financial incentives is limited to funds allocated for that purpose by the Residential and Commercial Energy Efficiency Collaborative pursuant to the Stipulation and Agreement approved by the Missouri Public Service Commission in Case No EC-2002-1.

Sincerely,

A handwritten signature in black ink that reads "Steven R. Sullivan" followed by a stylized "HMB" monogram.

Steven R. Sullivan
