STAFF REQUEST TO REJECT FILING

COMES NOW the Staff of the Missouri Public Service Commission and for its request states:

1. On January 17, 2012, CIMCO, a Division of Comcast Business Services (“the Company”) filed revised tariff sheets with the Missouri Public Service Commission to withdraw its calling card services. The tariff sheets were filed with a one-day effective date.

2. Section 392.220.2 RSMo Supp 2010 provides that

Unless the commission otherwise orders, [...] no change shall be made in any rate, charge or rental, or joint rate, charge or rental which shall have been filed by a telecommunications company in compliance with the requirements of sections 392.190 to 392.530, except after thirty days' notice to the commission, which notice shall plainly state the changes proposed to be made in the schedule then in force and the time when the changed rate, charge or rental shall go into effect; and all proposed changes shall be shown by filing new schedules or shall be plainly indicated upon the schedules filed and in force at the time and kept open to public inspection. The commission for good cause shown may allow changes in rates, charges or rentals without requiring the thirty days' notice, under such conditions as it may prescribe.

3. Rule 4 CSR 240-3.545(18) provides that “ Except as otherwise provided in this rule, no tariff will be accepted for filing unless it allows the full thirty (30) days required by law from date of receipt until effective date.”

WHEREFORE, the Staff requests that the Commission reject the tariff filing as unacceptable and advise the Company that its tariff to introduce a new rate shall be filed with a thirty-day effective date.

Respectfully submitted,
