**Motion for Leave to Amend to File Fourth Amended and Joint Complaint**

Come now Complainants Alma Telephone Company, Chariton Valley Telephone Corporation, and Northeast Missouri Rural Telephone Company, and hereby move the Commission to grant them Leave to file their Fourth Amended and Joint Complaint, a copy of which is attached hereto.

As set forth in the introductory paragraphs of the Fourth Amended and Joint Complaint, the only claims remaining in dispute concern T-Mobile originated traffic. The prior hearings did not address the entire period of uncompensated traffic, which period is now discretely identified. The purpose of this Motion and the Fourth Amended

Complaint is to unify all Complainants' claims against T-Mobile and SBC for the entire period of uncompensated traffic in dispute for a comprehensive resolution in this proceeding
