Public Interest

6. Cancellation of Teleglobe's Certificate of Service Authority and tariffs is not detrimental to the public interest. The public will not be harmed by Teleglobe's withdrawal because, as stated above, Teleglobe does not provide any telecommunications services to customers in Missouri, and thus, no customers will be affected. Furthermore, there are many other alternative telecommunications providers from whom Missouri residents can purchase interexchange telecommunications services.

Conclusion

WHEREFORE, Teleglobe USA Inc. respectfully requests the Commission to issue an order canceling its certificate of service authority and tariff and granting such other relief as is reasonable in the circumstances.

Respectfully submitted,
